

THE ORIGINAL **BAG-IN-BOX** COMPANY.

PPC Industries is North America's premiere manufacturer of high-performance box liners and films engineered for auto-insert machines in the bulk food and industrial packaging markets.

For more than **75 years** we have built our reputation on:

- **Exceptional** Customer Service
- **Superior** Product Quality
- **Strong** Engineering Support
- **Extraordinary** Value

Our Products:

Box Liners	Totes Drums Combos	Sheeting	Low-Melt Batch Inclusion
			
Automatic Bag Insertion	Premade Bags	Converter Films	Custom Temperatures
GFSI Certified, FDA Approved	Tubing	Form, Fill, & Seal Roll Stock	Proprietary Blends

Customers Trust PPC Because We:

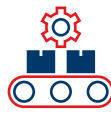

Safeguard Your Products

Our premium resins & multilayer film structures are customized to protect what's inside.

Keep Your Operation Running

Our 98% On-Time In-Full (OTIF) Service Level minimizes the risk of stockouts.

Optimize Your Productivity

Our consistently high-quality material means more up-time and less waste.

Innovate For You

Our R&D team engineers formulations to enhance film performance and reduce costs.
